Cooperation Partner

DGPRÄC
The “German Society of Plastic, Reconstructive and Aesthetic Surgeons” (DGPRÄC) is officially representing more than 1700 German Plastic surgeons both nationally and internationally. Founded in 1968 the society is officially representing German Plastic Surgery in politics and science. Only surgeons holding the German title “Specialist for Plastic and Aesthetic Surgery” or “Specialist for Plastic Surgery” are qualified for membership. Doctors in training may apply for “associate membership”.

IPSN
IPSN is the first interactive & international plastic surgery online community. It's not only concerned for memberships, meetings, medical papers and workshops, but has the unique edge of being an around the clock, 24 hrs ready to help the plastic surgeons chose the best solution for their patients in all kinds of problematic cases with the maximum benefit of consultation and gaining different experiences from all over the world.

TPRED
The mission of the Turkish Society of Plastic Reconstructive, and Aesthetic Surgery is to provide safe, ethical, efficacious, and the highest quality patient care; to develop and support the domestic and international education; to promote the fields of Plastic Surgery, including cranio-maxillofacial surgery, orthognathic surgery, microsurgery, hand surgery, trauma surgery, surgery of the congenital anomalies, burns, oncologic surgery, and aesthetic surgery; scientific and clinical research; and to organize scientific and professional activities.
