3rd SOAP-Meeting
State Of the Art in Plastic SURGERY

February 27-29, 2020
B R E M E N

Congress President: Prof. Dr. C. Can Cedidi

 **Body Sculpture**
LIVE-SYMPOSIUM

After the great success of our last meeting with nearly 150 participants from twelve countries, ten live surgeries and an intensive scientific exchange between the international surgeons and experts we would like to invite you to the 3rd SOAP-Meeting from **February 27 - 29, 2020** in the Dorint Parkhotel in Bremen. In our meeting we will report on the latest developments, leading techniques and current treatment methods in the field of Plastic-Aesthetic Surgery.

Highlights

- › Faculty with over 20 experienced experts from Germany and abroad
- › Selected live surgeries, which are transmitted directly to the Parkhotel and provide the opportunity to experience the latest surgical techniques up close and discuss them directly with the surgeon
- › Exclusive workshops on minimally invasive procedures – from filler to threads
- › English congress language as a perfect platform for exchange with doctors from all over the world

The SOAP-Meeting is an excellent opportunity to get first-hand information on the latest State of the Art in Plastic-Aesthetic Surgery.

I look forward to your visit to the beautiful Hanseatic city of Bremen.
