Course

Master Series Course Featuring: Fu-Chan Wei

- Subject** Workhorse Flaps from the Lower Extremity
- Options**
- Instructional course + Hands-on cadaver dissection
 - Instructional course + Observation of cadaver dissection

2023/3/25 SAT.

DAY 1

Time	Topic	Instructor(s)
07:00~08:00	Instructional Course: Microsurgical vascularized fibula transfer for long bone and jaw reconstruction	Professor Fu-Chan Wei
08:00~08:30	Registration	
08:30~08:35	Welcome	Director of the Center Yi-Sheng Chan
08:35~08:40	Introduction to the master	Professor Cheng-Hung Lin
08:40~10:00	Introduction to the Fibula Osteoseptocutaneous Flap 1. Anatomy review 2. Flap design 3. Step-by-step flap elevation	Professor Fu-Chan Wei
	Master' s Demonstration: Cadaver Dissection	
10:00~12:00	Hands-on Dissection (Fibula osteoseptocutaneous flap)	Chang Gung Faculty
12:00~12:40	Lunch / Video demonstration	
12:40~14:00	Introduction to the Anterolateral Thigh Flap 1. Anatomy review 2. Flap design 3. Step-by-step flap elevation (Special emphasis on intramuscular perforator dissection) 4. Clinical applications	Professor Fu-Chan Wei
	Master' s Demonstration: Cadaver Dissection	
14:00~16:00	Hands-on Dissection (ALT flap harvest)	Chang Gung Faculty
16:00~17:00	Additional Hands-on A-1 (Medial sural flap)	Chang Gung Faculty
Close day 1

DAY 2

Time	Topic	Instructor(s)
07:00~08:00	Instructional Course: Microsurgical toe-to-hand transfers	Professor Fu-Chan Wei
08:00~08:35	Registration and Group photo	
08:35~08:40	Opening Remarks	Professor Cheng-Hung Lin
08:40~09:30	Introduction to the Toe-to-hand transfer 1. Anatomy review 2. Flap design 3. Step-by-step flap elevation Master' s Demonstration: Cadaver Dissection	Professor Fu-Chan Wei
10:00~12:00	Hands-on Dissection (Various toe)	Chang Gung Faculty
12:00~12:40	Lunch / Video demonstration	
12:40~13:00	Instructions for Additional Hands-on B	Chief Resident
13:00~14:00	Additional Hands-on B-1 (Profunda Artery Perforator flap / Gracilis flap)	Chang Gung Faculty
14:00~15:00	Additional Hands-on B-2 (Medial femoral condylar flap)	Chang Gung Faculty
15:00~16:00	Additional Hands-on B-3 (Medial plantar artery flap)	Chang Gung Faculty
16:00~17:00	Additional Hands-on B-4 (Anterior tibialis artery perforator flap)	Chang Gung Faculty
	Closing Remarks	Director of the Center Yi-Sheng Chan
